## About Us

*Our single focus is to provide the best care possible for our residents.*

We are so excited to offer you or your loved one the opportunity to live in our beautiful facility located in exclusive Bonita CA. We are so much more than just a care facility – we provide a true family-style environment for our residents – so they truly feel at home. Because we are a “small” (6-bed) facility, we are able to provide our residents with the individual care and attention that they deserve. We listen to our residents – and tailor our services to meet their every need.

Brenda DeMars, our administrator, has over 13 years of elder care experience – all in California, so she has a through understanding of our state’s regulatory requirements. Brenda is fluent in English, Spanish and Tagalog.

**D&B Bonita View** hires only the best, highly experienced caregivers who have proven themselves - no beginners or trainees here!
